

Dear Potential Sponsor:

The Heartland Dragons Hockey Association (HDHA) is the newest Mississauga Hockey League (MHL) organization. The Dragons are a centrally based Mississauga hockey club that is home to over 500 players between 4 and 20 years of age.

As a not-for-profit organization, we are committed to providing a safe, sportsmanlike environment for each player to develop to his/her fullest potential as both a hockey player and as a person. We believe hockey provides unlimited opportunities to develop confidence and self-esteem, to promote the belief that what we can achieve as a team and society is greater than that of an individual and be a catalyst to creating strong, positive and respectful young men and women.

The HDHA uses all revenues solely for the promotion and execution of the above purposes and objectives. Funds received from our sponsors create many opportunities for house league players: offsetting the rising cost of hockey, team building, skill development programs at discounted rates and a free starter kit of equipment for first time hockey players. By committing to be a Dragon Sweater Sponsor for a Heartland Dragons Minor Hockey team you become an integral part of our association and shaping the lives of our players. In exchange we will provide exposure for your business on our website, in our social media feeds and on our Facebook page.

Our hope is that you will find this information helpful and join us with your support! We are indebted to you for your consideration and appreciate your generosity. Should you have any questions please do not hesitate to contact me.

Regards,

Joe Indovina
Director of Sponsorship
Heartland Dragons Hockey Association
